Welcome to the EMSI Oracle Learning Portal

Oracle University enables you to start your cloud journey and develop a strong foundation in cloud computing, and features of OCI. Through this digital journey, you will learn:

- **OCI** core concepts
- Administration, backup, and recovery tasks related to the **Oracle Database**
- To build scalable, enterprise apps in minutes using **Oracle APEX**
- To build secure, portable, high-performance applications using **Java SE**

Lets get started

01 Please create your [Oracle University account](#) with your [emsi.ma](#) or [emsi-edu.ma](#) email- do not use your company password as this is not part of our SSO.

02 Activate Your Digital Learning using an [emsi.ma](#) or [emsi-edu.ma](#) email

Login / Activate Subscription

Step 2 : Créez et activez votre compte (Use de black Bottom as shown)

The screenshot shows a web browser window with the URL <https://education.oracle.com/emsi>. The page has a green header with the text "Welcome to the EMSI Oracle Learning Portal". Below the header, there is a paragraph about Oracle University and a list of topics. A red arrow points from the top right of the page down to a button labeled "Login / Activate Subscription" which is highlighted with a red rectangle.

Vous êtes désormais dans l'espace EMSI de la plateforme Oracle My Learning

The screenshot displays the Oracle My Learning platform interface. The browser address bar shows the URL `mylearn.oracle.com/ou/story_/117252`. The page header includes the Oracle logo, "MyLearn | Oracle University", a search bar, and navigation links for Home, Library, Dashboard, Favorites, and AD. The main content area is titled "Oracle Cloud Infrastructure Training" and is specifically for "ECOLE MAROCAINE DES SCIENCES DE L'INGENIEUR". A "Community" link is visible in the top right. Below the header, a filter section shows "Filter (0)" and "Clear Filters". A sidebar on the left lists roles: Administrator, Analyst, Application Developer, Architect, and Cloud Operations Engineer. The main content area features a section titled "New to OCI" with the text "Start your cloud journey and develop a strong foundation in cloud computing, and the core concepts and features of OCI." Below this, there are two cards, each titled "Become An Oracle Cloud" and "Become An OCI". The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time as 21/10/2023 at 09:48.

Step 5 : Recherchez la formation de certification DBA 1Z0-082 : Get Started With Oracle Database Administration

The screenshot shows the Oracle MyLearn portal interface. At the top, there is a search bar with the text "Get Started With Oracle Database Administration" entered. Below the search bar, the page title "Oracle Cloud Infrastructure Training" is visible, followed by "For ECOLE MAROCAINE DES SCIENCES DE L'INGENIEUR". A red text overlay on the right side of the page reads: "Effectuez une recherche dans la zone « Search » en utilisant le texte suivant : Get Started With Oracle Database Administration". Below the search bar, there is a filter section with a "Filter (0)" button and a "Clear Filters" button. A list of roles is shown on the left, including Administrator, Analyst, Application Developer, Architect, and Cloud Operations Engineer. The main content area displays a course titled "New to OCI" with the description "Start your cloud journey and develop a strong foundation in cloud computing, and the core concepts and features of OCI." Below this, there are two course cards, both titled "Become An Oracle Cloud", with the OCI logo above each title. The bottom of the image shows a Windows taskbar with various application icons and a system tray displaying the date and time as 21/10/2023 at 09:52.

Step 6 : accéder à la formation

The screenshot shows the Oracle MyLearn web application. The browser address bar displays the URL: `mylearn.oracle.com/ou/search/Get%20Started%20With%20Oracle%20Database%20Administration`. The page header includes the MyLearn and Oracle University logos, a search bar with the text "Get Started With Oracle Dat...", and navigation links for Home, Library, Dashboard, and Favorites. A user profile icon labeled "AD" is also present.

The main content area displays search results for "Get Started With Oracle Database Administration". It shows 3940 results and includes a filter section on the left. The filter section has two expandable categories: "Type" and "Role".

Type Filter:

- ☐ Certification
- ☐ Free
- ☐ Paid
- ☐ New
- ☐ What I Own

Role Filter:

- ☐ Account Executive (4)

The search results are displayed in a grid. The first result is for "Get Started With Oracle Database Administration" (OCI). It features a red text overlay "Cliquez ici" (Click here) and a green "Certification" button. Below the title, it lists "Take Exam 1Z0-082", "Duration 39h 8m", and "Format Multiple choice".

The second result is for "Getting Started With Procurement" (SCM). It features a purple "Learning Path" button. Below the title, it lists "Duration 37m" and "Roles New User".

The Windows taskbar at the bottom shows the system clock as 09:59 on 21/10/2023, the temperature as 19°C, and various application icons including the Start menu, search, and several open programs.

Vous êtes arrivé. Bonne chance !

The screenshot displays the Oracle University MyLearn platform interface. At the top, the browser address bar shows the URL `mylearn.oracle.com/ou/component/-/118146/76996`. The page header includes the MyLearn logo, Oracle University branding, a search bar, and navigation links for Home, Library, Dashboard, and Favorites. A sidebar on the left contains social media icons for WhatsApp, Telegram, and others.

The main content area features a video player for the course "19c Oracle DBA Workshop". The video is titled "Database Server Architecture" and is currently at 0:00 / 7:42. The Oracle University logo is visible in the center of the video frame. Below the video player, there are controls for playing, pausing, and volume, as well as a "Now Playing" section showing the current video title and a "Rate this video" section with five stars.

On the right side, a playlist is displayed with the following items:

- Course 24h 33m (0% progress)
- 1: Introduction to Oracle Database
 - Database Server Architecture (8m)
 - Course Practice Environment: Security Credentials (New) (2m)
- 2: Accessing an Oracle Database
 - Accessing an Oracle Database (18m)
 - Demonstration: Usage of general DBCA Tools to Interact with Database (11m)
- 3: Creating...

A "Give Feedback" button is located at the bottom right of the playlist.

The Windows taskbar at the bottom shows the system clock at 10:01 on 21/10/2023, along with various application icons and a search bar labeled "Rechercher".
